Sir,

Filling up of permanent vacancies.

Adverting to your letter No.G.4754/G.M. dated 12th September 1923 to the address of the Agent, Mysore Railways, I have the honour to inform you that in the case of clerical appointments in the Railway Department, such as Relieving Clerks etc., no exemption from the operation of rules governing general recruitment is necessary, but in the case of appointments involving Railway technical knowledge, such as Station Masters and Assistant Station Masters, the exemption is essential as inexperienced men cannot be appointed to posts involving the safety of the public.

I have the honour to be,
Sir,

This order does not seem to convey permanent exemption from the ordinary rules of recruitment in respect of all appointments in the Railway Deptt. It is stated, however, that Rattans Iyer and Gopala-swami Iyengar were preferred as they possessed special technical qualifications. Whether these appts may be allowed is for orders.

23/7/23 The appointments have apparently been made under a misconception that the sanction of Govt in this Ry. Deptt exempting this Ry Deptt from the operation of the rules in Govt Memo. of 19.7.1921 applies for all time. There is no doubt some justification for such a view but the exemption would only appear to have force only until such time as Govt laid down
